Dear CEC Members and friends:

This message is to alert you to a service interruption at the Council for Exceptional Children (CEC).

On July 31, CEC's phone system and access to the Internet was interrupted for several hours. In addition to our phone system, our website (www.cec.sped.org) was also inaccessible.

Our website is back up, but not yet in full operation. We will reopen Monday, August 3 at 9 a.m. ET, and will provide another update at that time.

We apologize for any inconvenience that this may have caused and thank you for your patience while we fully restore service.

— The CEC Customer Service Team
